

BPF FUTURES

# LAUNCHPAD

Your path. Our future.

## Connecting and engaging the leaders of tomorrow

BPF Futures LAUNCHPAD provides unrivalled professional development opportunities through learning and building networks – and gives BPF Futures members a voice, helping the property industry's leading trade association to shape a more positive future.

### What is BPF Futures?

We are building an inclusive industry that welcomes and values skills, ideas and experiences from across all parts of society.

BPF Futures is a community of talented, young-in-career professionals\* who are passionate about our industry and want to shape its future while learning from each other and industry leaders, and building their own careers and networks.

Property is a long-term industry and BPF Futures' voice will help shape decisions today that impact on everyone's lives in the years to come.

\*BPF Futures membership is open to anyone who has worked in property for fewer than 10 years

# What is BPF Futures LAUNCHPAD?

BPF Futures LAUNCHPAD provides the platform for you to network and share knowledge with both your peers and senior industry leaders – and to have your say.

BPF Futures LAUNCHPAD has four key pillars:

1

## **Influencing**

Giving you the chance to help shape the built environment of the future

2

## **Learning**

Helping you to understand the key issues facing the industry

3

## **Mentoring**

Connecting you with senior leaders across the industry

4

## **Networking**

Enabling you to build relationships with your peers across the public and private sectors

## Building your career in property

### — Influencing

BPF Futures LAUNCHPAD lets you help shape the industry's future through:

- > The BPF Futures Policy Congress – providing a platform for you to share your views on government policy and the most important industry issues
- > An annual BPF Futures Hackathon, where you will tackle one of the big policy challenges facing the industry
- > Opportunities to find out more about the work of the BPF's extensive range of policy committees – from finance and build-to-rent to planning and sustainability

1

### — Learning

BPF Futures LAUNCHPAD helps you find out more about key issues affecting the industry through:

- > A comprehensive programme of webinars and seminars on key issues, with guest speakers from across the industry and government
- > The BPF Futures newsletter keeping you up to date with all the latest policy news from across the UK

2

## Mentoring

BPF Futures LAUNCHPAD connects you with those in key management and leadership positions in the industry by:

- > Facilitating long-lasting mentoring relationships through the new BPF Futures Mentoring Programme
- > Hosting webinars and seminars to hear from the industry's thought leaders

3

## Networking

BPF Futures LAUNCHPAD provides unparalleled networking opportunities through:

- > In-person and virtual networking events, including site visits, speed networking and social gatherings
- > Peer-to-peer learning through access to the MyBPF Portal and BPF Futures Forum, as well as a dedicated LinkedIn group
